

WHY CHOOSE CAMP STORY?

For almost 100 years, campers have migrated to Camp Story to...

GET OUTSIDE

Snowcapped mountain views, towering pine trees, delicate aspens, a babbling creek, wildflowers, deer, and hummingbirds are just a few of God's natural wonders found in this beautiful Rocky Mountain wilderness retreat.

GROW IN FAITH

Small group Bible study, engaging and interactive worship experiences, cabin time discussions, praying out loud or privately, and hearing personal testimonies of Camp Staff and fellow campers are just some of the ways that campers are encouraged daily to grow closer to Jesus in practical ways.

GAIN CONFIDENCE

Making new friends, trying new things, playing zany group games, exploring God's great outdoors, and spending a little time away from home in a unique environment are some of the experiences that encourage campers to gain confidence in the awesome person God created them to be.

JOIN THE CAMP STORY FAMILY

Low camper to staff ratios, strategic team building activities, small group and one-to-one discussions, peer accountability, and the mentoring of devoted Christian staff are why Camp Story is known for its intimate family atmosphere.
