PROGRAM Fresh Expressions

Matt Lake and Mitch Marcello presented an excellent program on Fresh Expressions which is an international movement of missionary disciples cultivating new kinds of church alongside existing congregations to more effectively engage our growing post-Christian society. A Fresh Expression is a form of church for our changing culture, established primarily for the benefit of those who are not yet part of any church. They equip Christians to start contextual expressions of church among the many segments, neighborhoods, and people groups of society. ***This portion of the meeting was recorded for the Presbytery to use. If you would like to watch the presentation, contact Rev. Kellie Thomson, Stated Clerk for a link. (klt@presby.org).***

The evening worship and Communion was led by Rev. Bruce McBurney, pastor of the Torrington church.
