# DOES YOUR PW PROGRAMMING NEED A JUMP START?

**Looking for ways to attract new members?**

We're blessed to have a strong curriculum through Presbyterian Women's Horizon Magazine-

**CELEBRATING SABBATH** is going to be a joy to study!

But aren't we all on the lookout for new ideas, speakers, workshops that go beyond our day-to-day activities?

Your Presbyterian Women Coordinating Team is dedicated to help you find new ways of doing ministry in your churches, so as a part of this year's Annual Meeting , we are hosting a round-table workshop to share ideas for no-stress workshops, projects, and other activities from around the country. But we need **YOU** to help us make it happen. By meeting with the leaders in our Presbytery, we can establish a Speaker's Bureau and even some one-day regional workshops that busy women would find convenient and compelling enough to attend. Soon, you will be receiving a questionnaire to get the ball rolling!

Make plans to join us and let's **JUMP START** our Presbyterian Women Programs!

**SEE YOU IN SEPTEMBER!**
